### ANNOUNCEMENT

#### FASHION INDUSTRY EXEC NEEDS OUR HELP

"I was diagnosed with stage 4 Chronic Kidney Disease. Thanks to a highly restricted diet, meds and a positive attitude, I have been able to remain stable but my last test results show that my kidneys are slowly breaking down.

I am sending this request for help. It has been a great life and with your help, it will continue. Please think about contributing a kidney.. If you do some research, you'll find out 1 is as good as 2 and the process is fairly simple for the donor. If you're not comfortable with this, and I TOTALLY UNDERSTAND that, please spread the word to all you know. If everyone sends this to their email lists, something good will happen. Please know that I feel and look great, better than ever, but my disease is not reversible so now if the time to act. My deepest appreciation and respect for all of you. Contact: [donow@design-options.com](mailto:donow@design-options.com)"
